

USED OIL & FILTER RECYCLING INSTRUCTIONS

- Call Centers listed on front for hours of operation and quantity limits.
- A refund of \$0.16 per gallon of oil is available upon request (except at City Hazardous Waste Center).
- Place oil in tightly-sealed, pourable containers that hold no more than five gallons.
- Most locations accept oil filters. Drain the filters and place them in a plastic bag.
- Do NOT contaminate oil by mixing with any other fluids.
- It is ILLEGAL to leave oil at a closed collection center after business hours.

Funded by a grant from
the Department of Resources,
Recycling, and Recovery
