

Attention VISTA-CSUCI bus riders:

The Ventura Blvd entrance to the Camarillo Metrolink station will be temporarily closed from September 7th – 14th due to construction related to the Lewis Rd widening project. The Metrolink station will be accessible from the entrances at Daily Dr and Barry St.

During construction, the VISTA bus stop located at the Ventura Blvd entrance will be temporarily relocated to the north halfway between Ventura Blvd and Daily Dr on Lewis Rd.

For further information or questions regarding the temporary closure, please contact Samia Maximous at:
